American Health Advantage of Utah (HMO I-SNP)

2026 Pharmacy Directory

This pharmacy directory was updated on 09/17/2025. For more recent information or other questions, please contact American Health Advantage of Utah (HMO I-SNP) Member Services, at 855-521-0627 or, for TTY users, 1-833-312-0046, seven days a week, 8:00 A.M. to 8:00 P.M. in your time zone, or visit ut.amhealthplans.com.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at ut.amhealthplans.com. You may also call Member Services at 855-521-0627 or, 1-833-312-0046 for TTY users, for updated information.

Introduction

This booklet provides a list of American Health Advantage of Utah (HMO I-SNP) network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and American Health Advantage of Utah's (HMO I-SNP) formulary.

When this pharmacy directory refers to “we,” “us”, or “our,” it means American Health Plan of UT, Inc. When it refers to “plan” or “our plan,” it means American Health Advantage of Utah (HMO I-SNP).

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under American Health Advantage of Utah only if they are filled at a network pharmacy, or through our mail order service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of January 1, 2026. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

We also list pharmacies that are in our network but are outside the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this pharmacy directory on Network Pharmacies outside your county.

If you have questions about any of the above, please see the first and last cover page of this directory for information on how to contact us.

Mail Order Pharmacy(ies)

You can get prescription drugs shipped to your home through our network mail order delivery program. For refills of your mail order prescriptions, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at (800) 607-6861. The TTY/TTD line is 711 and is available 24/7 for your assistance.
